The club trip to Pinehurst was discussed with a tentative plan for February 6 -8 with a preliminary head count of 10 people. Messy will contact the Pinehurst Lodge to make reservations, preferably reserving a condo and 1 3-bedroom cabin.

KC Pro Kitty Kat races are scheduled for January 31, 2009 in Manvel. The club will be preparing the track, providing food service, securing donations to offset expenses, and a facility for the awards. It was voted to serve Taco's-in-a-Bag, hot dogs, hot cocoa, pop and Doritos.

A lengthy discussion followed regarding trail grooming. Trails had not been groomed earlier than today because the State wanted to inspect the trails, the pending weather forecasts, and the groomer was broken. The suggestion to switch to having Fordville groom our trails was posed. After making a phone contact, Scott reported that we are in a bi-annual agreement and cannot switch until next year.

A question was posed to how much money was in the trail fund and if it was possible to help out the Community Center with a donation. Topic deferred to next meeting.

Club members in attendance were in agreement to hold a club fun (poker) run on Saturday, January 24. Registration will be from 11:00-12:00 at Racers with the route as follows: Manvel – Oslo – Warsaw – Minto – Forest River – Gilby – Manvel. Cost will be \$10 per person with Racer's providing a free will donation chili dinner at 5:00 and prizes awarded at 6:00 p.m. Messy will create a flyer and give to Josh for distribution.

It was motioned and seconded to provide pizza at the next meeting.

The idea of a club jacket or apparel was brought up. Kathy volunteered to make contacts regarding samples and quotes.

Kathy motioned for meeting adjournment. Motion was seconded by Lee. Meeting adjourned at 9:20 p.m.
